- * Again this year we will feature The American Legion and their Hometown Heros.
- * 4/color photos and professional advertising. The book is pocket size 5 3/8"x 8 3/8" - great for car, truck, boat or bike. Delivered free to every advertiser and other locations this spring. - Jump start the year right.
- * By having one Visitors Guide for several hometowns, we all benefit. Working together allows us to have a first printing of est. 10,000, we predict that there will be over 40,000 readers.
- * The Random Lake Area Chamber of Commerce started a Visitors Guide years ago. We have featured one additional Hometown each year. The huge success of this publication is where our new Hometown Visitor Guide publication came from, and now we feature many Hometowns.
